| Artikel       | BOOK-2 AP BIANCO |
| Installation  | Wandleuchten     |
| Garantie      | 5 years          |
| Bruttogewicht | 2 kg             |
| Volumen       | 0.012763 m³      |

## Technische Information

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Nettogewicht       | 1.57 kg                                                                        |
| Isolationsklasse   | I                                                                              |
| Schutzindex        | IP20                                                                           |
| Einhaltung         | CE                                                                             |
| Betriebstemperatur | 0° ~ +40 °C                                                                    |
| Dimmer             | Non-dimmable, On-Off                                                           |
| Leistung           | 220-240 V AC 50/60 Hz                                                          |
| Energieversorgung  | In-built, included<br>Replaceable (by qualified operators only),<br>electronic |

## Quellinfo

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Integrierte Quelle       | Light bulb (not included), Integrated LED module |
| Austauschbare Quelle     | Replaceable (LED: by qualified operators only)   |
| Leistung                 | G9/LED max 1 x 28W / 3 W                         |
| Emissionen               | Diffuse + Direct                                 |
| Maximaler Verbrauch      | max 28W / LED 3.0 W                              |
| Merkmale LED             | LED SMD                                          |
| CCT LED                  | 3000 K                                           |
| Dauer LED (t. 25°C)      | 15000 h                                          |
| CRI                      | > 90                                             |
