

## Allgemeine Information

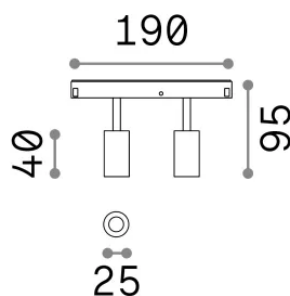

## Technisch - Systeme

|               |                                      |
|---------------|--------------------------------------|
| Ean           | 8021696257624                        |
| Artikel       | EGO TRACK DOUBLE 05W 3000K ON-OFF BK |
| Installation  | Systeme                              |
| Garantie      | 5 years                              |
| Bruttogewicht | 0.32 kg                              |
| Volumen       | 0.001872 m³                          |

## Technische Information

|                         |                                                            |
|-------------------------|------------------------------------------------------------|
| Nettogewicht            | 0.22 kg                                                    |
| Isolationsklasse        | III                                                        |
| Schutzindex             | IP20                                                       |
| Einhaltung              | CE                                                         |
| Betriebstemperatur      | 0° ~ +40 °C                                                |
| Dimmer                  | Non-dimmable, On-Off                                       |
| Leistung                | 48 V DC                                                    |
| Energieversorgung       | Required, remoted, not included<br>NO                      |
| Zubehör nicht inklusive | Narrow or Wide beam optics, Honeycomb filters, Ego profile |

## Quellinfo

|                          |                                           |
|--------------------------|-------------------------------------------|
| Integrierte Quelle       | Integrated LED module                     |
| Austauschbare Quelle     | Replaceable (by qualified operators only) |
| Leistung                 | 5 W                                       |
| Emissionen               | Direct                                    |
| Maximaler Verbrauch      | max 5 W                                   |
| Merkmale LED             | LED SMD OSRAM                             |
| CCT LED                  | 3000 K                                    |
| Dauer LED (t. 25°C)      | 50000 h                                   |
| CRI                      | > 90                                      |
| SDCM                     | 3                                         |
| Lichtstrahlwinkel        | 30°                                       |
| Lichtstrahlfluss         | 500 lm                                    |
| Nützlicher Lichtstrom    | 360 lm                                    |
| Photobiologisches Risiko | 1                                         |
