

## General info

## Indoor - Wall lamps

|              |                     |
|--------------|---------------------|
| Ean          | 8021696336671       |
| Item         | PING PONG AP OTTONE |
| Installation | Wall lamps          |
| Warranty     | 5 years             |
| Gross weight | 0.79 kg             |
| Volume       | 0.002456 m³         |

## Technical info

|                       |                                      |
|-----------------------|--------------------------------------|
| Net weight            | 0.68 kg                              |
| Insulation class      | II                                   |
| Protection index      | IP20                                 |
| Compliance            | CE                                   |
| Operating temperature | 0° ~ +40 °C                          |
| Dimmer                | Non-dimmable, On-Off                 |
| Power output          | 100-240 V AC 50/60 Hz                |
| Power supply          | In-built, included<br>NO, electronic |

## Source info

|                        |                                           |
|------------------------|-------------------------------------------|
| Integrated source      | Integrated LED module                     |
| Replaceable source     | Replaceable (by qualified operators only) |
| Power                  | 0 6 W                                     |
| Emission               | Diffuse + Direct                          |
| Max consupcion         | max 6 W                                   |
| Features LED           | LED SMD BRIDGELUX                         |
| CCT LED                | 3000 K                                    |
| Duration LED (t. 25°C) | 50000 h                                   |
| CRI                    | > 90                                      |
| SDCM                   | 3                                         |
| Light beam             | 120+30°                                   |
| Light beam flux        | 600 lm                                    |
| Useful light flux      | 360 lm                                    |
| Photobiological risk   | 2                                         |
