## Info tecniche e installative

|                       |                                 |
|-----------------------|---------------------------------|
| Peso netto            | 0.18 kg                         |
| Classe di isolamento  | 3                               |
| Conformità            | CE                              |
| Alimentazione         | 24 V DC                         |
| Dimmer                | 1, Phase-cut                    |
| Alimentatore          | Required, remoted, not included |
| Grado di protezione   | 65                              |
| Lunghezza fornita     | L 5000 x H 1 x P 12 mm          |
| Accessori non inclusi | Remote driver                   |

## Info sorgente e prestazionali

|                       |                |
|-----------------------|----------------|
| Potenza               | 50 W           |
| Emissione             | Direct         |
| Consumo massimo       | max (1 m) 10 W |
| CCT LED               | 4000 K         |
| Durata LED (t. 25°C)  | 50000 h        |
| CRI                   | > 90           |
| SDCM                  | 3              |
| Fascio luminoso       | 120 °          |
| Flusso utile          | (1 m) 960 lm   |
| Rischio fotobiologico | 1              |
